Ingredients: Aloe Barbadensis (Organic Aloe) Leaf Juice, Lavandula Angustifolia (Organic Lavender) Distillate, Anthemis Nobilis (Roman Chamomile) Distillate, Citrus Aurantium Amara (Bitter Orange) Flower Distillate, Butyrospermum Parkii (Organic Shea) Butter, Stearic Acid, Emulsifying Wax NF, Glycerin, Simmondsia Chinensis (Organic Jojoba) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Tocopherol (Vitamin E), Phenoxyethanol, Xanthan Gum, Tetrasodium EDTA, (May contain sodium bicarbonate and/or citric acid as pH adjusters)

### **Basic Baby Cream**

Overview: Back to basics! This basic baby Cream is lighter than our original baby Cream, and at a lower price point. It's a very simple and clean Cream that is paraben-free and contains no nut oils. It uses soothing Roman Chamomile essential oil for the sensitive skin of babies.

***Organic Content: 80%***

Directions for use as baby Cream: Moisturize your baby from head to toe as needed.

Directions for use as facial Cream: Moisturize your face and neck with Cream every morning and/or night, after you cleanse and tone. Always moisturize your face and neck in upward motions. Moisturizing is important for all skin types. In every step of skin care, always use circular, upward motions with a gentle touch on your face. Don't help gravity by tugging down on your skin, and remember that the skin on your face loves you, so you should love it.

Ingredients: Aloe Barbadensis (Organic Aloe) Leaf Juice, Cocos Nucifera (Organic Coconut) Oil, Vitis Vinifera (Grape) Seed Oil, Emulsifying Wax NF, Stearic Acid, Glycerin, Phenoxyethanol, Anthemis Nobilis (Roman Chamomile) Distillate, Xanthan Gum, Tetrasodium EDTA, (May contain sodium bicarbonate and/or citric acid as pH adjusters)

### **Basic Concentrate Cream**

Overview: This simple and Basic Concentrate Cream can be used for multiple purposes. It can be added to another Lotion or Cream base to thicken a product. It can also be mixed with herbal tinctures, essential oils, de-ionized or distilled water, fragrance oils or aloe juice to create a variety of different lotions or Creams. It accepts additives up to one part Basic Cream Concentrate to one part added liquids total weight. You can also add Jojoba Beads or Walnut Shells to create a fabulous Cream scrub.

***Organic Content: 61%***

Directions for use: The Basic Concentrate gives you the opportunity to be creative and make your own cream or lotion. The concentrate is not meant to be used as is. The wise approach is to start small, and add as you go. The concentrate allows you to add additional materials in up to 40%. This would be deionized water, oils, butters, fragrances and glycerin or alcohol based extracts. Deionized water would include distillates, floral waters, hydrosols and herbal extracts. For best results, add the water and oil phases (not including essential oils and fragrance oils) hot at 140° F. As the product cools it must be vigorously stirred to prevent separation. For best results use a high sheer mixer such as a stick blender. Add the fragrances once product is cooled.

Ingredients: Aqua (Deionized Water), Cocos Nucifera (Coconut) Oil, Emulsifying Wax NF, Stearic Acid, Phenoxyethanol, Xanthan Gum, Carbomer, Triethanolamine (TEA), Tetrasodium EDTA

### **Under Eye Nourishing Cream**

Overview: This Cream is more versatile than the name implies. It's gentle and rich enough for the eye area, but your whole face and neck can benefit from this Cream, as well. I attempt to use it only on my eyes, but then the rest of my skin cries out for it. You can market this Cream solely as an undereye Cream, as a facial Cream or even as both. When you use it under the eyes, make sure that your essential oil choices are appropriate for that area. I love this one unscented or lightly scented with chamomile, sandalwood, rose or lavender.

\*\*\*\*\***SERUMS**\*\*\*\*\*

### **Antioxidant Facial Serum**

Overview: This Antioxidant Serum smells delicious. It has a light scent that comes from the carrot oil, which is because it is backed with antioxidants. The antioxidants in this serum come from the rich oils of Carrot, Avocado, Rosehip and Evening Primrose, and we also boosted it with vitamins A, B, C and E.

***Organic Content: 52%***

Directions for use: Help your skin on your face and neck with serum every morning and/or night after you cleanse and tone. Place a pea sized amount of Facial Serum onto fingertips. Warm the serum between your hands and spread evenly over your face without pulling down on the skin. In every step of skin care always use circular, upward motions with a gentle touch on your face. Don't help gravity by tugging down on your skin and remember that the skin on your face, especially around the eyes, is very delicate. The serum should be completely absorbed by your skin within 5 minutes. Your skin should feel soft, but not oily. If it feels like you have a mask on, you have used too much serum. Remember that our serums are concentrated. Follow the serum with a lotion or cream.

## **\*\*\*\*\* Scrubs and Polishes \*\*\*\*\***

### **Virgin Coconut Sugar Scrub**

Overview: Oh so purely simple and sweetly sublime – Essential's Virgin Coconut Sugar Scrub is... just divine! When your customer's first breathe in the perfectly balanced aroma of delicious coconut, they will know this is the real thing – no overpowering fake coconut "smell" here! Just real, simple effective ingredients perfectly blended to deliver an unforgettable, totally craveable spa-like experience, whether at home or in a resort. The organic coconut oil melts delicately into the skin, gently delivering the refined, yet effective buffing power of the natural cane sugar, which goes to work on dry, rough tough skin, sloughing away to reveal glowing, hydrated silky-soft skin – hallelujah!

Mixing Directions: This product is naturally scented, but essential or fragrance oils can be added at .1 to .5%. This scrub allows you to add a few unique ingredients that will not only change the scent, but give you a variety of products lines out of one base. You can add cinnamon powder, nutmeg powder, ginger powder, allspice powder and/or clove powder to spice up this scrub. Just a pinch of any one of those powders will go a long, long way in scenting and changing the look of this scrub. Start small, and build it up from there.

Directions for use in shower, bath or spa treatment: Scoop between fingers, apply to wet skin and gently massage in a circular motion, focusing on rough areas. Rinse thoroughly and pat dry.

**WARNINGS:** Avoid use on any cuts or delicate areas. Do not exfoliate if skin is sunburned or irritated for any reason. Be careful not to fall on wet or slippery areas caused by using the scrub. Avoid using all Body Polishes on the face.

Ingredients: Sucrose (Cane Sugar), Cocos Nucifera (Organic Virgin Coconut) Oil, Tocopherol (Vitamin E), Rosmarinus Officinalis (Rosemary) Leaf Extract, Azadirachta Indica (Organic Neem) Seed Oil

### **Turmeric & Neem Scrub (USDA Certified Organic)**

Overview: Finally, the answer to the question, "What is the best scrub for people with oily or chaotic skin?" has been found. We've combined some of the greatest that nature offers to balance oily and chaotic skin — turmeric, mustard, neem, sea salt, grapefruit essential oil and jojoba oil — to create the perfect scrub. Not too oily, not completely dry, but, as one famous girl said, "just right."

***Organic Content: 95%***

Directions for usage in shower, bath or spa treatment: Scoop between fingers, apply to wet skin and gently massage in a circular motion, focusing on rough areas. Rinse thoroughly and pat dry.

**WARNINGS:** Avoid use on any cuts or delicate areas. Remember to not put salt in an open cut. Do not exfoliate if skin is sunburned or irritated for any reason. Be careful not to fall on wet or slippery areas caused by using the scrub. Avoid using all body polishes on the face.

Ingredients: Sodium Chloride [Atlantic Sea Salt], Simmondsia Chinensis [Organic Jojoba] Seed Oil, Cocos Nucifera [Organic Coconut] Oil, Butyrospermum Parkii [Organic Shea] Butter, Azadirachta Indica [Organic Neem] Seed Oil, Curcuma Longa [Organic Turmeric] Root Powder, Sinapis Alba [Organic Mustard] Seed Powder, Tocopherol [Vitamin E] Oil, Rosmarinus Officinalis [Organic Rosemary] Leaf Extract, Citrus Paradisi [Organic Grapefruit] Essential Oil

\*\*\*\*\* **Toners** \*\*\*\*\*

**Peppermint Facial Toner (USDA Certified Organic)**

Based on cooling organic peppermint extract, this refreshing Peppermint Toner will help deeply cleanse skin. Organic vegetable glycerin locks in moisture while organic willow bark extract soothes stressed skin. Bolstered by a broad spectrum of natural alpha hydroxy acids derived from organic bilberry, organic sugar cane, organic sugar maple, organic orange peel, organic lemon peel and organic cranberries, peppermint toner gently exfoliates dead skin cells, restoring the appearance of a youthful, glowing complexion.

***Organic Content 95%***

Directions for use: Shake or Mix toner before use.

After cleansing face, apply a moderate amount of toner to a cotton ball and gently apply all over the face in upward motions. Allow to dry, and follow with a moisturizer.

You can also use the toner in a spray bottle to lightly spritz over your face if you prefer.

Ingredients: Aloe Barbadensis [Organic Aloe] Leaf Juice, Organic Alcohol Extract of Mentha Piperita [Organic Peppermint] Leaf, Organic Glycerin, Organic Alcohol Extracts of Salix Alba [Organic White Willow] Bark (and) Vaccinium Myrtillus [Organic Bilberry] Fruit (and) Saccharum Officinarum [Organic Sugar Cane] (and) Acer Saccharinum [Organic Sugar Maple] Granules (and) Citrus Aurantium Dulcis [Organic Orange] Peel (and) Citrus Medica Limonum [Organic Lemon] Peel (and) Vaccinium Macrocarpon [Organic Cranberry] Fruit

**\*\*\*\*\* Masques \*\*\*\*\*****Glycolic & Rose Gel Masque**

Overview: Essential Glycolic & Rose Gel Masque helps reduce the build-up of excess skin cells, allowing skin to breathe and show off its glowing beauty. Glycolic acid transforms dull complexions into vibrant, youthful appearing skin. This revitalizing masque smells of fresh roses. With 10% glycolic acid, it is not meant for sensitive skin. Glycolic masques can cause anything from slight tingling to burning sensations. Follow directions closely.

**Organic Content:** N/A

Directions for use: Apply a thin layer to cleansed skin, avoiding eye area. Rinse off after five minutes. Light tingling will occur. If skin becomes irritated, wash off immediately with warm water and apply vegetable oil to face. Tone, nourish and protect your skin. Always test product on small area before use on entire face. This product can irritate sensitive skin or skin that has open pores. Only you will know when to wash off the masque, which should happen at the first sign of any irritation. Apply jojoba oil afterwards for a cooling effect.

### **Shea Butter Lotion**

Overview: Your skin's dreams have been answered! Shea Butter comprises over 20% of our Shea Butter Lotion. This product is so rich, wholesome and soothing that although this is technically a lotion, we recommend packaging it like a crème. The consistency tends to be excessively thick for pumps and is better suited for a jar or tube.

### **Simple Lotion**

This wonderful lotion has a good, consistent viscosity and a light, silky texture that absorbs quickly into the skin. This lotion is comparable in viscosity to Carbomer/TEA based formulas, without using either chemical. It uses Hydroxyethyl Cellulose to give a voluptuous viscosity, which also lends to the silky texture.
